# DEDICATION

The Class of '75 wish to dedicate the Bears Tale to Mr. Robert Krotzer on his retirement. Mr. Krotzer taught at Gibsonburg for 35 years. # AUDIENCE F. L. I. P. P. E. D. OVER THE PLAY

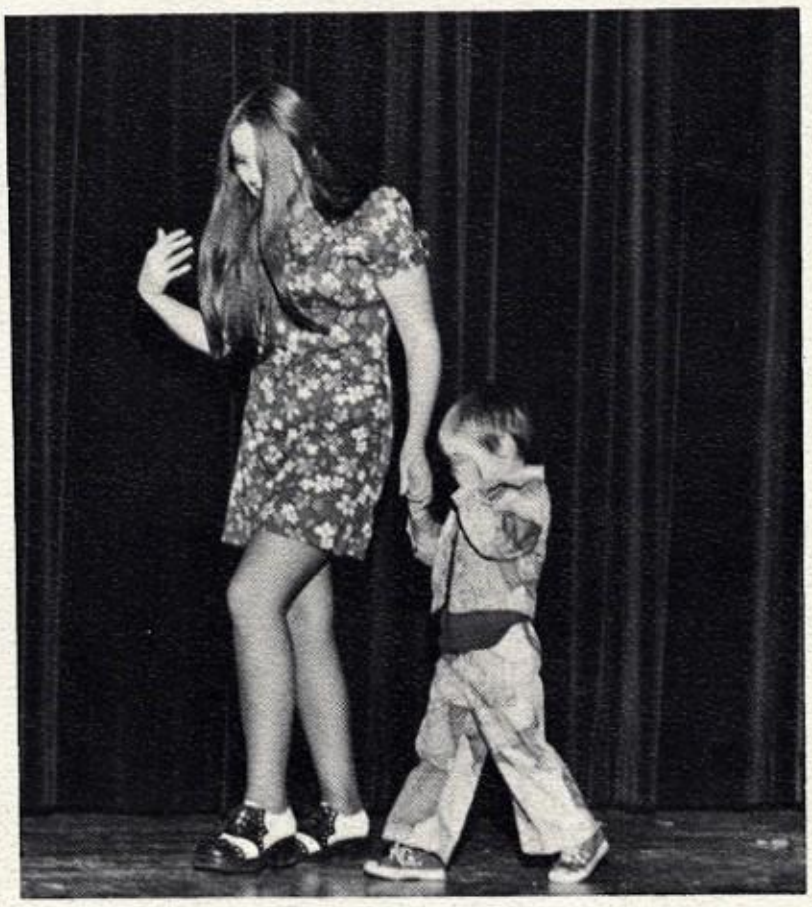
Are you sure that you didn't tell your husbands about this meeting?

F. L. I. P. P. E. D. ? They have, You are, and I'm about to!

Hey! Let go of my tail!

. . . No, I'm in the crib . . . the baby spilled his milk.



Stop crying Stevie . . . or I won't take you to the zoo.

Female Liberation Idealist Party for Permanent Equality and Democracy was the title of the fall play presented in 1974. This name was shortened to the letters F. L. I. P. P. E. D. The directors were Mr. Harbal and Mrs. Sneider who were main factors in the success of the play. Thanks are also extended to the crews, advisors, and the audiences who also helped to make this play as successful as it was.

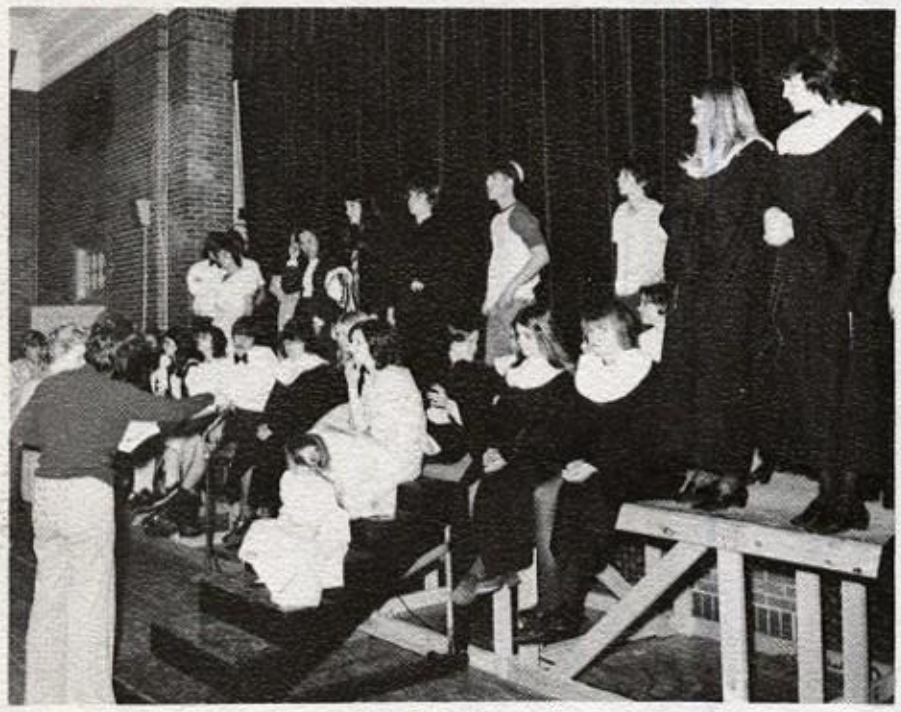
# SPRING MUSICAL

THE VON TRAPP FAMILY SINGING.

## "THE SOUND OF MUSIC"

"A TELEGRAM FOR THE CAPTAIN, FRANZ"

DIRECTORS MRS. CLARK AND MRS. LANG TALK OVER A FEW ROUGH SPOTS IN THE PLAY.



MRS. CLARK GIVES SOME HINTS DURING REHEARSAL.

MARIA COMFORTS THE VON TRAPP CHILDREN DURING A THUNDERSTORM.

"The Sound of Music" was the sixth annual Spring Musical to be presented by Gibsonburg students. Due to the direction of Mrs. Margorie Clark and Mrs. Mary Lang and the long hours put in by both cast and crew, the musical was a complete success, receiving standing ovations on both nights it was presented.

Patty Clark performed beautifully in her role as Maria, bringing both joy and sorrow to the audiences. The final scene, when Maria and Captain Von Trapp left for the mountains, brought tears to the eyes of the already moved audience. The play was presented on the fourth and fifth of April, 1975.

Anyone here at Gibsonburg that went to the Helena School when they were young will tell you that more extra-activities go on there than at the much larger Gibsonburg Elementary. The small four classroom school atmosphere is very pleasant and friendly. The fourth grade class puts on some type of play for their parents every year. This year their topic is U. S. patriotism. These plays have been organized by Mrs. Burrows ever since she has been there. This year Mrs. Burrows also taught her whole class (including the boys) how to crochet. They crochet many things for themselves and also many of the props for their play. One such item is a very large and beautiful American Flag. Helena may be a small school but it sure is active and not forgotten!

who needs more power plants anyhow!

You do.

If you want to use the products you own today and will own tomorrow. Most are powered by electric energy.
If you want to work. Every job requires the use of electricity in some form.
If you want to live in a quality environment. Most pollution control equipment runs on electric power.
You need power plants . . . for all your wants.
